

# TANGENT®

SUSTAINABLE LUMBER

TANGENT CERTIFIED | SUSTAINABLE LUMBER

made to  
live on

## Worry-Free Outdoor Living

Designed for comfort and beauty, Tangent sustainable lumber looks like wood, but requires none of the maintenance. Made from recycled plastics, our HDPE material is easy to clean and resistant to water, mildew, moisture, insects, UV rays and chemicals. No matter what life throws at it, outdoor furniture made with Tangent is built to last.

### MADE FROM MILK JUGS AND RECYCLED PLASTICS

Tangent proudly manufactures recycled plastic boards using post-industrial and post-consumer HDPE plastic like milk jugs and laundry detergent bottles. Our products meet criteria for Green Circle Certification. We also use a closed-loop manufacturing process that produces minimal greenhouse gases. Our materials are 100% recyclable.

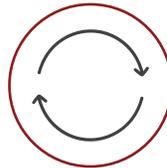

#### CONFIDENTLY DURABLE

No rotting, splintering or peeling with materials that stand the test of time.

#### LASTING BEAUTY

Colors and textures remain flawless with no painting or staining required.

#### SUSTAINABLY MADE

Recycled materials create an unrivaled performance lumber.

#### EASE OF CARE

Simply wash with soap and water; no need to waterproof.

#### MADE IN THE USA

Our products are made in the United States.

# Beauty. Durability. Sustainability.

Bring on the rain, the wind, the sun. Bring on the years. Outdoor furniture made with Tangent will remain beautiful no matter the climate, bringing peace of mind home.

Maintains premium look and quality for years with waterproof, safe/nontoxic and color-stable technology. No chipping, splintering, peeling or rotting. Wide assortment of rich and vibrant colors with beautiful finishes. Simply wash with soap and water; no need to waterproof or stain ever again.

## TANGENT vs OTHER HDPE
